## Vocab

...let us explain ourselves.

### Sourdough

Our Sourdough starter "Hope" was born in 2010 of starch, water & local honey. With lots'a nurturing, she's grown to produce 1,000's of loaves to-date of this unique fermented bread. We feed her twice a day & tell her we love her. Yes, it makes a difference.

### Bacon Confit

Bacon simmered low & slow in it's own fat, further infusing the meat with rich Applewood smoke. Perfect for every application!

### VooDoo Brew

Equal-parts iced CoolBrew coffee & Wakin' Bakin's own homemade chocolate milk.

### Honey Butter Biscuits

Our original drop-biscuit recipe using our long-time local honey provider, Story Farms in Holden, La
